

How to integrate Epay SCI into your Shopify shop?

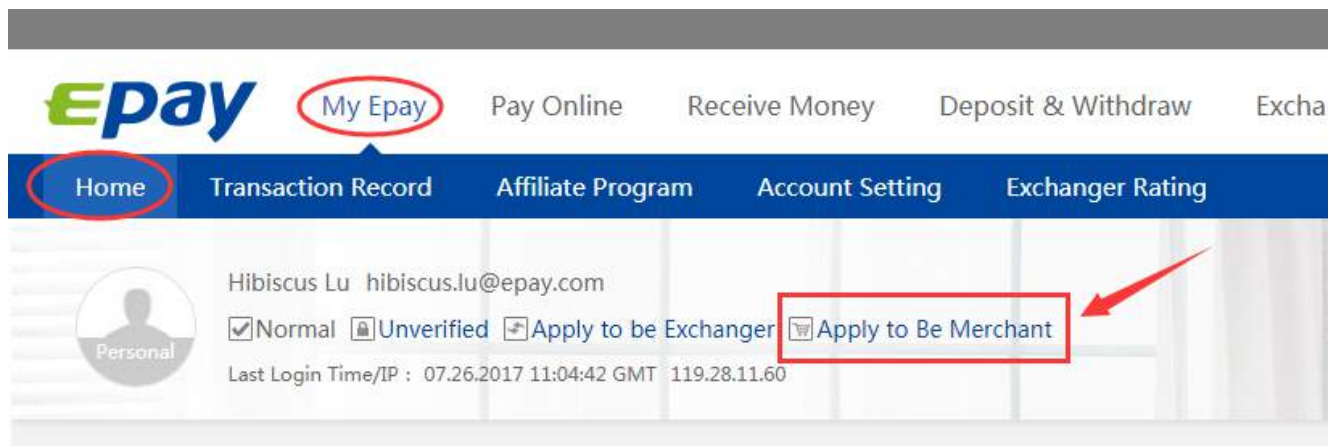

Step1 to Step3 should be finished on www.epay.com

Step1: Register an Epay account

1. Please register a personal account or company account, here with the link to sign up:
<https://www.epay.com/web/register/index.jsp>
2. Sign up video guide
<https://www.youtube.com/watch?v=3U491UyUIhk>

Step2: Apply to be a Merchant

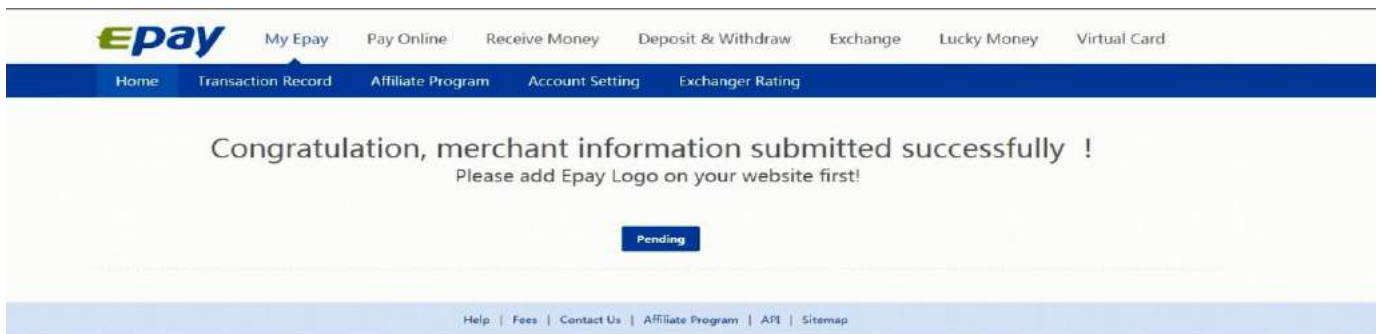

1. Log in your Epay account, and click **“My Epay”** -- **“Apply to be Merchant”** as below:

2. In **“Apply to be Merchant”** Page, please fill in the information required.

A screenshot of the 'Apply to Be Merchant' form on the Epay website. The form is titled 'Apply to Be Merchant' and contains several input fields: 'Web Name', 'Website', 'Business Type' (a dropdown menu), and 'Logo' (with a 'Select' button). Below the fields is a checkbox for 'I agree Merchant Acceptance Policy'. At the bottom of the form are two buttons: 'Confirm' and 'Go Back'. The website's navigation bar and footer are also visible.

3. Then click **“Confirm”**, you will read the notice **“Merchant information submitted successfully!”** (Epay will verify your application within 1 working day usually.)

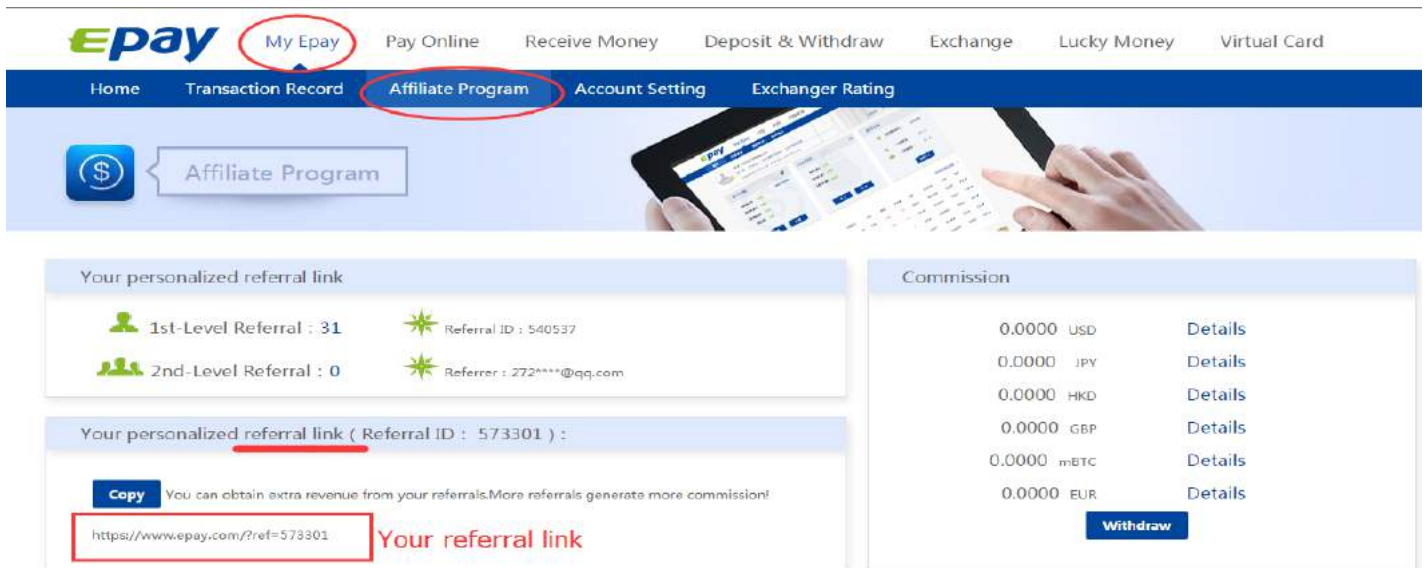

4. And please add Epay logo on your website firstly, logo samples are displayed in **“Logo Center”** section. Do not forget to insert your referral link, which enables you get more rewards from its referrals.

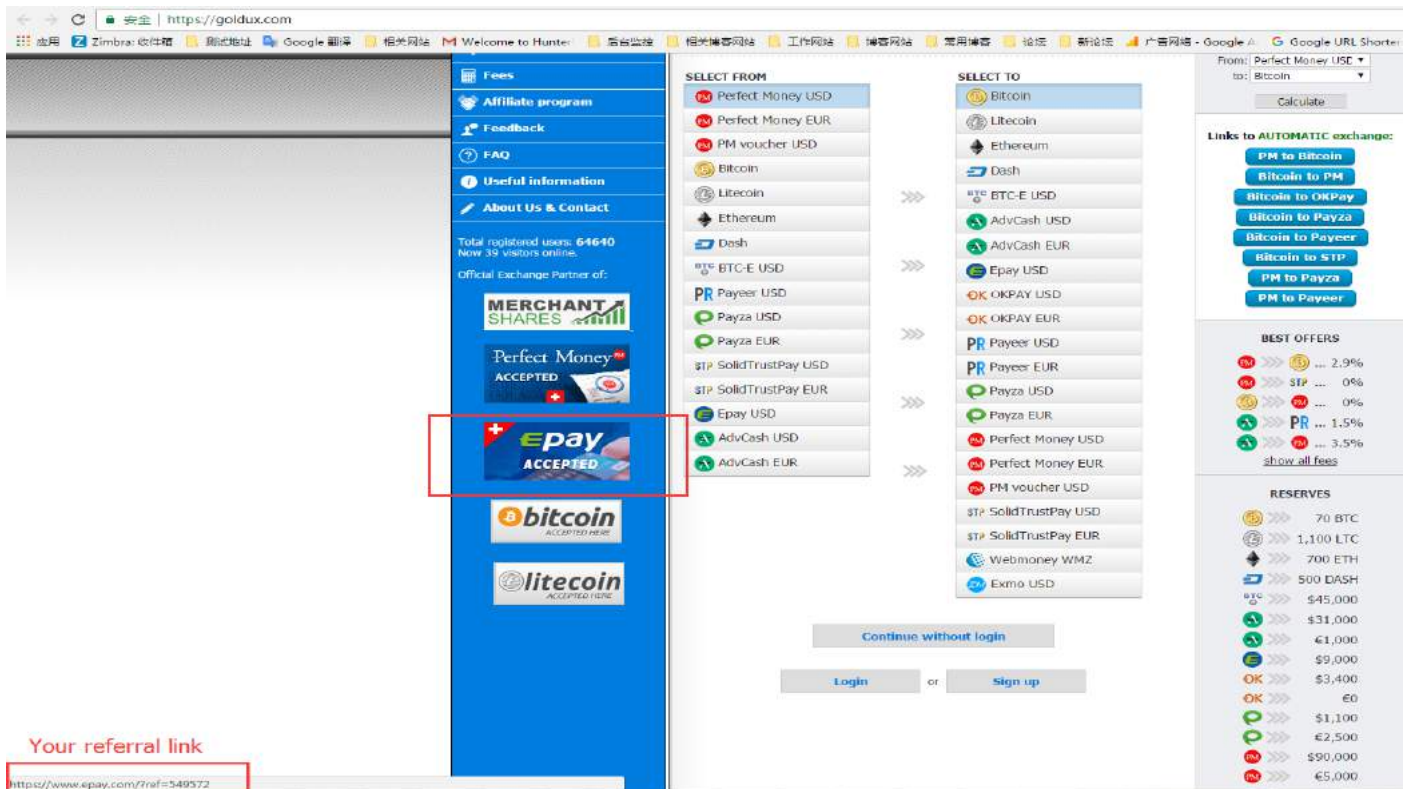

Please find logo in here.

http://www.epay.com/en/logo_center.htm

Please find your referral link from **“Affiliate Program”**.

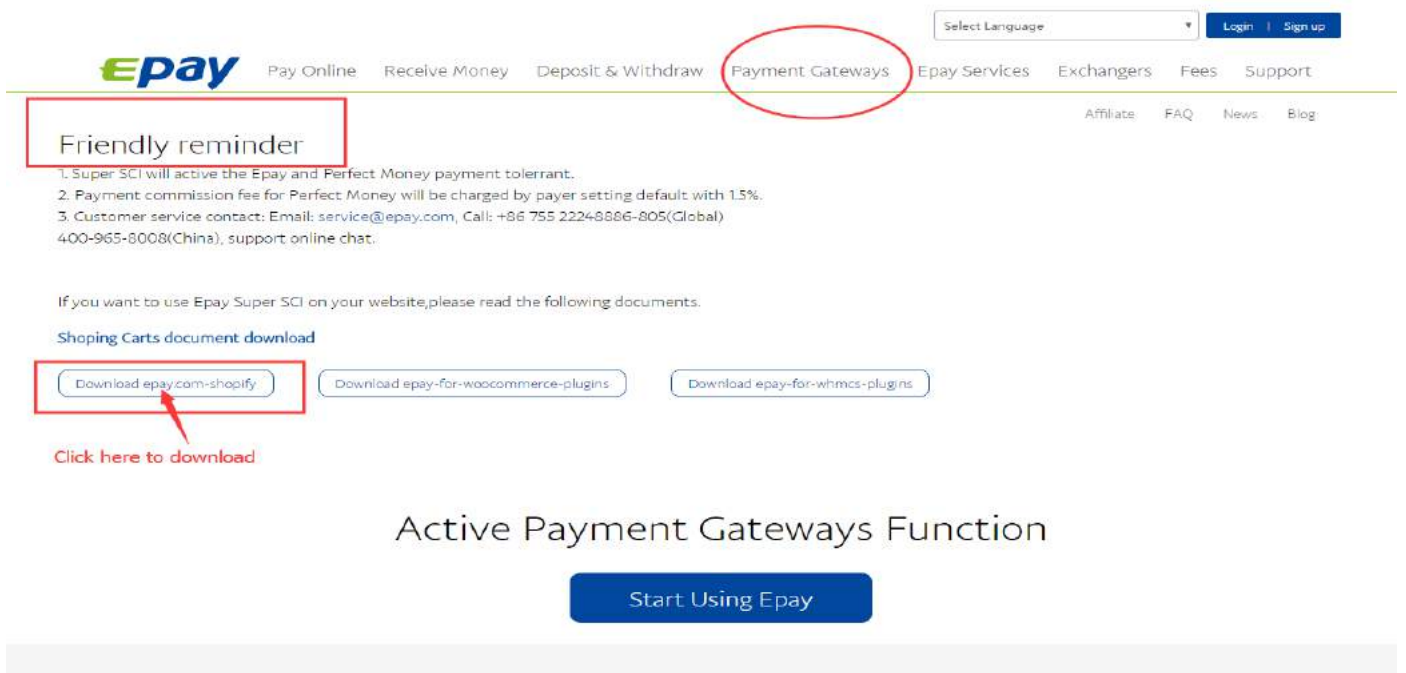

Here is a demo screenshot from Goldux.com

5. You can start to integrate Epay API during the merchant verification.

How to find your API_KEY

Step 1. Log in your Epay account, and click "Account Setting" --> "Account Security" -
-> Fill in your payment password

The screenshot shows the Epay website interface. At the top, there is a navigation bar with the Epay logo and several menu items: My Epay, Pay Online, Receive Money, Deposit & Withdraw, Exchange, Lucky Money, and Virtual Card. Below this is a secondary navigation bar with Home, Transaction Record, Affiliate Program, Account Setting (highlighted with a red box), and Exchanger Rating. A large banner image shows a hand holding a tablet displaying the Epay interface. Below the banner, there is a sidebar menu with the following items: Basic Information (Email/Address/Mobile), Account Information (Bank/E-currency), Certificate Authority (Account information verified), Account Security (Enable account security, highlighted with a red box), Setting (Default/Notice Setting), Address Book (Contact Information), Internal Message (System Station Message), and ConLog (ConLog Record Management). In the center of the page, a modal dialog box titled "Epay Confirm Password" is displayed. It contains a text input field labeled "Payment Password :", a blue "Confirm" button, and a green "Cancel" button.
