2) setting Epay account

How to get API_KEY and start collecting money on Epay?

Step 1. Login Epay account, According to the navigation [My Epay--- Account Setting--- API], go on the page "API",

Step 2. Fill out your Payment password and Google Verification Code, and hit on "Create API_KEY" to get API KEY.

The screenshot shows the Epay website interface. At the top, there is a navigation bar with the Epay logo and "Lucky Money". Below it, there is a sub-menu with "Home", "Transaction Record", "Affiliate Program", and "Account Setting". The "API" section is highlighted, showing a form with "Payment Password" and "Google Verification Code" fields, and a "Create API_KEY" button. A red arrow points from the "API" link in the sub-menu to the "API" section. Another red arrow points from the "Create API_KEY" button to the "API" section. The "API" section also includes a "Recreate API_KEY" link and a "Disable" button.

Step 3. Hit on "Enable" button and fill out Payment Password and Google Verification Code to start collecting money.
